

PRESCRIPTION DRUG ABUSE & MISUSE IS A PROBLEM.

**EVERYDAY, 2,500 KIDS AGED 12-17 ABUSE A
PRESCRIPTION PAINKILLER FOR THE FIRST TIME.**

ARE YOU PART OF THE PROBLEM OR THE SOLUTION?

- Do not share your prescription drugs with friends, family or coworkers.
- Keep a personal record of all medications that you take.
- Follow practitioner's orders for taking medications.
- Dispose of left over prescriptions properly.
